Our review has been conducted in accordance with Australian Auditing Standards applicable to review engagements. A review is limited primarily to inquiries of the entity's personnel and analytical procedures applied to the financial data. These procedures do not provide all the evidence that would be required in an audit, thus the level of assurance provided is less than given in an audit. We have not performed an audit and, accordingly, we do not express an opinion.

Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements and the Corporations Act 2001.

Statement

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Independence Group NL is not in accordance with:

- (a) the Corporations Act 2001, including:
 - (i) giving a true and fair of the consolidated entity's financial position as at 31 December 2003 and of its performance for the half-year ended on that date; and
 - (ii) complying with Accounting Standard AASB 1029: Interim Financial Reporting and the Corporations Regulations; and
- (b) other mandatory professional reporting requirements in Australia.
